

UNITED STATES DISTRICT COURT  
FOR THE NORTHERN DISTRICT OF CALIFORNIA  
OAKLAND DIVISION

UNITED STATES OF AMERICA,

Plaintiff,

vs.

SYNPEP CORPORATION and CHI YANG,

Defendants.

Case No: CR 06-0374 SBA

**ORDER GRANTING IN PART AND  
DENYING IN PART DEFENDANT'S  
MOTION FOR EXTENSION OF  
SURRENDER DATE**

[Docket No. 113]

Presently before the Court is Defendant Chi Yang's ("Defendant") Motion for Extension of Surrender Date, filed on January 7, 2010. The Defendant requests an extension of his self-surrender date from January 22, 2010, to March 31, 2010. The Defendant requests an extension of his surrender date for the following reasons: (1) the Defendant has Hepatitis B and requires a CAT scan every six months, with the next scan being currently scheduled for February 26, 2010; (2) the Defendant needs time to meet with his accountant to help prepare tax returns for various limited partnerships owned by the Defendant; (3) the Defendant needs additional time to sell SynPep Corporation equipment in order to pay the fine imposed on SynPep Corporation in this matter.

The Government does not oppose a continuance to March 1, 2010, in order for the Defendant to undergo his CAT scan. However, it opposes a longer extension, arguing the Defendant has had sufficient time to arrange his personal affairs. As the Defendant entered into a Plea Agreement on November 9, 2009, the Court agrees.
